Paragraph 47:

“Employment

47. We strongly support fair globalization and resolve to make the goals of full and productive employment and decent work for all, including for women and young people, a central objective of our relevant national and international policies as well as national development strategies, including poverty reduction strategies, as part of our efforts to achieve the Millennium Development Goals. These measures should also encompass the elimination of the worst forms of child labour, as defined in the ILO Convention No.182, and forced labour. We also resolve to ensure full respect for the Fundamental Principles and Rights at Work.”
