SECOND ITEM ON THE AGENDA

Voluntary contributions and gifts

1. At its 151st Session (February-March 1962), the Governing Body authorized the Director-General to accept gifts in money or in kind made by governments, governmental or non-governmental organizations or private persons in aid of ILO operational programmes, at his discretion and subject to the condition that the gifts should not involve any financial liability for the Members of the Organization. These general powers were given to the Director-General in extension of the authority granted by the Governing Body at its 130th Session (November 1955) and confirmed at its 138th Session (February-March 1958). At its 251st Session (November 1991), the Governing Body authorized the Director-General to accept gifts in money or in kind made by governments, governmental or non-governmental organizations or private persons, at his discretion, provided that they did not involve any financial liability for the Members of the Organization and provided that details of such gifts were reported periodically to the Governing Body.

2. Details of gifts accepted by the Director-General were last communicated to the Committee in November 2003. Gifts accepted in aid of operational programmes since that date are listed in the appendix. These gifts represent donations towards ongoing ILO activities and do not therefore include funds received for technical cooperation activities.

Submitted for information.
